

## Parameters of Excellence: India's Top 10 Day Schools

**T**O COMPILE THE EW-C FORE SCHOOLS SURVEY 2011 LEAGUE tables of nationally and regionally ranked schools, 321 well-known day schools (shortlisted by *Education-World*) were assessed by a carefully constituted respondents base comprising parents, principals, teachers and educationists across 14 parameters or attributes. On the reasoning that there is more to education than academic or scholastic excellence (on which conventional league tables published abroad are based), 2,044 respondents across the country were asked to rate schools on academic reputation, co-curricular education, sports education, faculty competence, individual attention to students, value for money, leadership/management quality, parental involvement, infrastructure provision, quality of alumni/students, teacher welfare and development, discipline and life skills education, disabled friendliness and community service.

The ratings awarded under each of these 14 parameters were aggregated to rank India's most respected schools. Tables of day schools ranked among the Top 10 under each parameter are set out below.
